September Mixer – Bringing People Together!

Thank you to everyone who attended our September mixer! It was a fantastic way to kick off fall and reconnect with everyone after the long summer. We had a variety of people attend – current members, new members wanting to learn more about WPRW, guests, candidates and representatives for local elected officials. We hope to see you at our next meeting on October 2nd!

Also, as a reminder, please don't forget to submit your political and campaign hours! There are many opportunities to obtain hours, including attending meetings, assisting a campaign and attending/listening to classes. Once you've collected your quarterly hours, contact Chris Counts.
